Journal of Cell Science is devoted to all aspects of cell biology. Papers are published dealing with all levels of organization, from the molecular to the cellular. The range of the journal is wide and it includes contributions on development and morphogenesis at the molecular and cellular levels. Theoretical papers and occasional reviews are published. Short surveys of topical subjects appear in each issue under the general title 'Commentary'.

The Company of Biologists Limited is a non-profit-making organization whose directors are active professional biologists. The Company, which was founded in 1925, is the owner and publisher of this and *The Journal of Experimental Biology and Development* (formerly *Journal of Embryology and Experimental Morphology*).

Subscriptions

Two volumes will appear in 1987, each consisting of five parts. In addition there will be three Supplements. The subscription price for the journal (volumes 87 and 88) and Supplements (numbers 6–8) is £210.00 (USA and Canada, US \$525.00; Japan, £235.00) post free. Individual volumes may be purchased at £21.00 (USA and Canada, US \$55.00) each, plus postage. Supplements may also be purchased individually – prices on application to the Biochemical Society Book Depot. Orders for 1987, which can be in £ Sterling/Dollars or Access/Visa credit cards, should be sent to The Biochemical Society Book Depot, PO Box 32, Commerce Way, Colchester CO2 8HP, UK or to your normal agent or bookseller. Copies of the journal for subscribers in the USA and Canada are sent by air to New Jersey for delivery with the minimum delay. Second class postage paid at Rahway, NJ, and at additional mailing offices. Postmaster, send address corrections to: Journal of Cell Science, c/o Mercury Airfreight International Inc., 10B Englehard Avenue, Avenel, New Jersey 07001, USA.

Back numbers of the *Journal of Cell Science* may be ordered through The Biochemical Society Book Depot. This journal is the successor to the *Quarterly Journal of Microscopical Science*, back numbers of which are obtainable from Messrs William Dawson & Sons.
